One day, my friend and I went to a store near our house. I bought myself half a liter of beer for the weekend, and a friend took a can of beer as a drink with which he will wash down beer. We left the store, went up the stairs to the house, and sat on the steps waiting for the elevator. Then a neighbor came up and asked a friend what time it was (he forgot his watch in the store). The friend answered and added that he had no money for beer. The neighbor replied that he would treat him now and went into the entrance.
