Cowon jet audio 8.1.0.2000 plus vx including crack full version uploaded @igi Ä .Q: Javascript setInterval not firing properly I have a javascript that checks the time once every 5 seconds. This is the script setInterval(function(){ \$.get('time.php'); },5000); And the code in time.php I am getting the time every 5 seconds and I also made a delete function so when i delete the cookie I know when my script has run. The script checks the time every 5 seconds then it gives me back a success message. It does not seem to be doing that when i delete the cookie. However, when i dont delete the cookie and if refresh the page it does run the script properly. A: You cannot delete cookie after using. Try this if you have already set the cookie value. document.cookie = "yourValue" instead of deleting
