The Lands Between is a fantasy world of endless adventure. In the middle of nowhere, no one has ever heard of the rings of power... "The Ring of the Star", "The Ring of Blood", "The Ring of Time" and "The Ring of the Deep" are four rings that were laid down over the course of the evolution of the earth and its people. These rings are powerful enough to create immovable and infinite barriers all across the Lands Between, and are known as the Elden Ring. "What's the story of the Elden Ring?" is the question that has perplexed many people. A long time ago, an unspeakable tragedy occurred in this world. The evil that was unleashed at that time left no survivors. A new era of darkness began. The "nostalgia of the past" has now become a curse and is not a thing of the past. Traveling alone, you enter the "Elden Ring" surrounded by monsters. It is an action RPG, where you take on a journey and battle the evil that is rising. • Before you Begin - "Tarnished" Adventure Story The story is divided into sections called "seasons." Each season is a self-contained chapter that can be played on their own, and if desired, you can even skip ahead to particular scenes. \*Copyright of Br-online Inc., 2016 All Rights Reserved. Reviews: "This is the most original RPG I have ever played, featuring an ambitious project that creates a whole new game world and story. The biggest strength of Elden Ring is its ability to seamlessly mix RPG, adventure, and action. The combat is also very intuitive and challenging while offering a variety of approaches. Elden Ring is the first RPG in years that feels like it should be released for consoles." -GamersFeed "The most interesting game in years, with a massive amount of content and an imaginative combat system." -Pelitulitte "As a big fantasy fan, I was very excited to play this game. The combat system is unique, the player character looks great, and the graphics are very nice. However, the long, rare, and secret items that can't be traded with other players is a major flaw in the game." -Video Game Review "Incredibly exciting gameplay and the fantasy world will make you fall in love with Elden Ring. Don't sleep on this game." -Axyollner "Elden Ring is worth its weight in gold, an elegant, high-quality game that can't be missed. It may be one of the best RPG games of the year." -TheEscapist "Full of ambition, personality, and easiness to play." -GameTrailers "It is a really fantastic RPG that gets better as you play." -Jollynek "ELDEN RING is a sequel to RIOTBLOOD, the debut title from their very own development team. The game sets a new bar for what a RPG can do with a next gen platform. It's an ambitious, beautiful, and potentially life-changing RPG that's destined to be the next big thing." "Taking the basic elements of roleplaying, such as feeling invested in the story and letting your character grow into a powerful hero, Elden Ring applies the same approach to a fighting game. The result is a game that's dynamic, exciting, and easy to learn." "Every aspect of the game is intuitive and enjoyable, despite the complexity of the formula. The combat is fun while bff6bb2d33

The most fun I've ever had online. I wanted to make a game more for others like it and I think I succeeded. This game is perfect for anyone looking for a different type of MMORPG that isn't MMO-RTS. ===== Game servers will close on Nov 28, 2016 at 11 PM EST (GMT). See you on the other side! In the beginning, the two men were born from Eden. Their birth was a product of primitive technology. They were born outside of Eden, in a world that would become the Lands Between. They lived in contentment and stayed away from the troubles that plagued Eden. Then, they became Tarnished, and they attacked the innocent people of Eden. They changed their mind, and tried to go back to the island of Eden, and wanted to bring peace between Eden and the Lands Between. With great power and influence, the Tarnished became rulers in Eden. They did everything for the good of Eden... but then, one day, they betrayed it. They betrayed the land they had saved... and it was too late. Eden is no more. Now, the Lands Between is filled with strife and hatred, and the throne of Tarnished has been stolen. A new era has begun. The New Fantasy Action RPG Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Long time no see ===== Thanks for watching our video, this is just a quick little update that will probably be the last for awhile. -ADL Studios is closed for good and have been working on new projects after the failures of the previous 2 games. Today was the last day I'll be working at this studio so I hope you guys enjoy the behind the scenes and talk about the future of the company.
