Take charge of your fantasy team of footballers from around the world and put together your dream team of the best footballers in the world. FIFA Ultimate Team allows you to collect and trade footballers, making it possible to build and customize your dream squad. Along with the huge range of talent available, this game will give you the means to create the best tactics and strategies as you strive to take your club, or even the world, by storm. FUT Champions - Build the best team of footballers and compete in this all-new FIFA mode. From the world's best players, to emerging superstars, over 600 in-game-ready players are available to choose from. These footballers come from various leagues across the world, including the Champions League and other global tournaments. Throughout the game, you'll make the hard decisions needed to stand out from the crowd. Player Impact Engine - Nations now react differently to different kinds of play - from the way they approach ball possession to how they use the playmaker in midfield. Players now also adapt to their environments with performance tails, more realistic animations, a new Match Day experience, and more. Better Kicking - Create the most accurate ball touches in the world of football. Add the perfect flick or curl to your shot, improve your game through the use of a new "Animation Trajectory," and nail tackles with more awareness. The game's new "Vision-Tracking" technology can even read your player's brain waves to tell where they are looking, so you can make that extra pass. And assist your teammates with more accurate heading as well. Real Passes, Real Shooters - Now Defenders are more aware of where you are going, so anticipate their movement to gain the upper hand in 1v1 situations. Domestic Friendlies - Look closer to discover new details and nuances in player movement, using the new Volta Shot Camera. True-To-Life Commentary - For the first time ever, the in-game commentators can be heard speaking with the same pitch-perfect articulation, clarity, and subtle nuances as the commentators in your TV broadcast. Boots and New Ball - Be ready for the most immersive, real-world sensation ever in football. Learn how to use the new, improved "Durability" system in the game, as you'
